## STAFFING SOLUTION

*What You Need, When You Need It.*

A challenge for many retirement and nursing homes is finding the right staff on short notice. Whether an employee called in sick, finding staff to cover for a short-term change, or for any unforeseen reason, staffing can result in significant cost and potentially overworked employees.

Home Care by Doctors (HCBD) is the premier provider of staffing solutions for retirement and nursing homes. HCBD can help assist in managing adjustments to project work, unexpected fluctuation in business volume, seasonal upswings, and recruitment challenges. Our expert recruiters are specialists at finding the right staffing for every specific need. We believe that great talented employees create great businesses.

## INDUSTRY EXPERTISE

HCBD's expertise and focus is to provide premium care to the aging population. Our employees have provided quality care to our aging population in their homes and are ready to assist in providing the same exceptional care to retirement and nursing homes. Our staffing team is dedicated to finding the utmost professional staff to match any needs, even on short notice.

*Better Candidates, Better Outcome,  
Less Paperwork*

HCBD has searched, interviewed, tested, and verified the credentials of every one of our employees. With one quick call, text or email, our staffing team will find the best match for your staffing needs via our extensive database.

## HCBD 3 SPECIALIZED EMPLOYEE CATEGORIES:

### CONTINUING CARE ASSISTANT - CCA

Continuing Care Assistant work directly with clients in long-term care, home care, assisted living, some areas in acute care, and even special needs classrooms. CCA help them with mobility, personal care, assisting them to eat their meals, and medication monitoring.

### LICENSED PRACTICAL NURSES - LPN

Licensed practical Nurses are a vital part of today's health care team - in acute hospital care, longterm care and in the community. They provide compassionate, professional nursing care to individuals throughout the human lifespan, infants to seniors.

### REGISTERED NURSES - RN

Registered Nurses assist in assessing clients and develop, implement, review and evaluate care plans. Monitor client's health, notes changes in condition and assess need for referral to doctors; processe and implement physicians' orders.

## BEYOND STAFFING SOLUTIONS

In addition to providing excellent staff, we are equipped with the tools and expertise to support businesses by increasing productivity and efficiency through:
